

GS1 Malaysia is organising a seminar on Supply Chain Excellence to share best practices, strategic processes and innovative business improvements as well as providing networking opportunities. Join us at this seminar and benefit from the cross-industry learning opportunities and gain insight into:

- Innovative solutions for secure transport of goods and visibility during transportation
- Optimisation of Supply Chain efficiency through collaboration among manufacturers, suppliers and retailers
- Insight into protecting the brands using authentication solutions on the packaging
- Sustainability programme to bring the SMEs to the required level of food safety requirement

Who Should Attend

Chief Executive Officers, Managing Directors, Managers and Senior Executives of Supply Chain, Logistics, Sales and Marketing, Merchandising and Logistics from the suppliers, manufacturers, retailers and logistics and service providers.
